RI President

Francesco Arezzo of Italy selected to be 2025-26 Rotary International President

Francesco Arezzo, a member of the Rotary Club of Ragusa, Italy, has been selected by the Board of Directors to become Rotary International's president for 2025-26. Arezzo will become president on 1 July.

The 2025-26 presidential message, announced at the 2025 Rotary International Assembly in February, will remain Unite for Good, which calls on Rotary members to be a force for unity in a world increasingly divided by politics, geography, and ideology. Through service projects, Rotary brings together people of every background — across races, religions, and professions — in a shared mission to do good in their communities.

Arezzo is an orthodontist in private practice. He is active internationally as a member of the Italian, European, and American orthodontics associations. He is vice president of the National Association of Italian Dentists for the province of Ragusa and was the founder and head for seven years of the delegation for Ragusa of the National Trust for Italy. He is a Knight of Honor and Devotion in Obedience within the Sovereign Order of Malta.

A Rotary member for more than 30 years, Arezzo has served as vice chair of the Joint Strategic Planning Committee and as RI director, learning facilitator, and as district conference presidential representative.

Arezzo is a Major Donor and Benefactor of The Rotary Foundation. He is married to Anna Maria Criscione, an entrepreneur in the tourism field. They have two children.

DISTRICT GOVERNOR'S MAIL

Connecting Through Stories, Inspiring Through Service

Dear Fellow Rotarians,

As we set the tone for a new Rotary year, I am filled with immense gratitude and optimism. This first edition of our Governor's Monthly Letter (GML) marks the beginning of a year that promises connection, collaboration, and meaningful service.

Rotary has always been more than meetings and milestones—it's about the stories we create, the lives we touch, and the values we uphold. In this journey, communication plays a vital role. It keeps us informed, inspired, and most importantly, united. When we communicate with clarity and purpose, we build bridges—between clubs, between members, and between our goals and actions.

The GML is not just a newsletter; it is our district's voice. It captures the spirit of Rotary in motion—stories of impact, updates that matter,

and glimpses of the tireless efforts of Rotarians across our district. I encourage every member to take time each month to read, reflect, and share these stories with others. They are powerful reminders of why we joined Rotary in the first place.

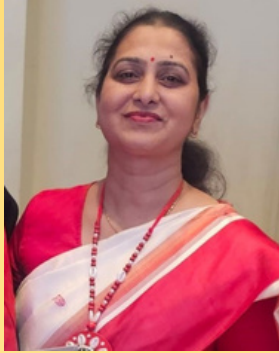

I extend my heartfelt best wishes to the GML editorial team for curating and presenting this publication with such energy and dedication. May this platform continue to grow as a space for creativity, expression, and inspiration. I urge all clubs to contribute powerful stories, thoughtful articles, and unique experiences that reflect the diversity and strength of our Rotary family.

Let us celebrate each other's achievements, learn from one another, and stay connected through these pages. Together, let's write a year filled with purpose, positivity, and pride.

With warm regards and Rotary spirit,
Rtn. Dnyaneshwar Shewale
District Governor, RID 3030
Rotary Year 2025–26

RI DIRECTOR'S MESSAGE

Dear Fellow Rotarian,
Warm greetings to DG Rtn. Dnyaneshwar Shewale, First Lady Rtn. Anupama Shewale, and all members and families of RI District 3030.

There is no greater force than people coming together with a shared purpose. Unite for Good is more than a theme—it is the very essence of Rotary. When we stand as one, every act of service, every gesture of kindness, and every heart that chooses to care has the power to transform lives.

As Rotarians, we believe that unity is not just strength, but a force for hope, healing, and lasting change. Our vision has always been clear: Together, we see a world where people unite and take action to create lasting change—across the globe, in our communities, and in ourselves.

This vision comes to life each year with the fresh energy and dedication of Rotarians who step into leadership at every level. The seamless transition of leadership—year after year—is a testament to Rotary’s ability to nurture and empower individuals, ensuring continuity while embracing new ideas. Governors, district leaders, and club members alike form a dynamic force, bound by a common goals and strengthened by the friendships they forge. This ever-evolving cycle of service and leadership makes Rotary a unique platform for driving impact, fostering lifelong bonds, and creating change that transcends borders.

GML is more than just a productivity tool—it is a reflection of the incredible Rotarians who define your district. The leaders chosen this year are not just here to serve; they are here to guide, motivate, and inspire. Their role is to push boundaries, surpass expectations, and empower every Rotarian to be a force for good. Leadership in Rotary is not about titles—it is about the impact we create and the legacy we leave behind. The commitment, vision, and integrity of this year’s leaders will shape not only this district but the future of Rotary itself.

The international leadership’s emphasis on membership growth is

a collective responsibility—one that every Rotarian must uphold. Rotary has given us friendships, purpose, and the joy of service; now, it is our privilege and duty to extend this to others. Our impact grows exponentially when we welcome new hands and hearts, when we share the inspiring stories of transformation we witness every day. Rotary is, and will always be, a ray of hope for the world. To strengthen our mission and expand our reach, we must bring more members into our fold—so that we not only achieve greater milestones but also build a stronger foundation for the future of Rotary.

My heartfelt appreciation to the district publishing team for their dedication in bringing this directory to life and to every leader who has stepped forward to serve. The roles we hold today are not just responsibilities for a year—they are opportunities to leave a mark that will shape our journey long after our tenure ends. The dedication and passion we bring to our work will define not only our personal growth but also our combined strength. Let us lead with purpose, serve with passion, and inspire those around us to do the same.

All the best—let’s Unite for Good!

Outgoing governor's message

Dear Fellow Rotarians,

As I prepare to pass the baton, my heart is filled with immense gratitude and pride for the phenomenal journey we have traversed together over this Rotary year. Your unwavering support, commitment, and passion have made this journey both memorable and meaningful.

Together, we have accomplished so much. From providing artificial limbs to over 600 beneficiaries, to vaccinating more than 11,000 young girls against cervical cancer, from touching the lives of over 1 lakh girls through awareness sessions on mental health, menstrual hygiene, and good touch–bad touch, to launching impactful traffic safety campaigns and environmental initiatives like tree and bamboo plantations and our “Say No to Plastics” movement — our service has been far-reaching.

We conducted hundreds of health camps, surgeries, cataract operations, blood donation drives, thalassemia awareness and adoption, and projects supporting the specially abled and vocational skill development. Our youth engagement through RYLA, Youth Festivals, and career guidance added vibrancy to our mission.

A crowning moment was the Global Youth

Exchange Conclave, graced by RI President Elect Mario César Martins de Camargo, three RI Directors, and delegates from 27 Indian districts and nations including Sri Lanka, Nepal, and the USA.

We saw record-breaking support: 12 CSR India Grant Projects worth over \$335,000, 10 Global Grants exceeding \$350,000, and a District Grant of \$33,000 involving 56 clubs. Membership grew with four new clubs, one satellite club, and 200+ new Rotarians. Foundation giving crossed \$650,000 — a record in itself!

Our District Conference witnessed a 1500-strong fellowship, smooth elections, and high energy. If there was one lingering challenge — it was getting every club active on My Rotary.

I express my heartfelt thanks to all clubs, every Rotarian, and my exceptional district team. A special thank you to my wife, Ginny, who accompanied me on nearly all official visits, and to my family for their steadfast support.

As I pass the baton to DG 2025–26 Rtn. Dnyaneshwar Shewale, I wish him and his team a year of even greater achievements. May they continue to raise the bar and take Rotary to soaring new heights.

With gratitude and warm regards,
Rajinder Singh Khurana
District Governor 2024–25

KNOW YOUR DISTRICT GOVERNOR

A visionary leader, an accomplished professional, and a devoted Rotarian—Dnyaneshwar Shewale, fondly known as Nana .

Born on 8th December 1967, Nana comes from a humble and grounded background. He completed his schooling at Rungta High School and went on to excel academically, earning admission into the prestigious College of Pharmacy, Nashik—today ranked among the Top 10 Pharmacy Colleges in India.

A consistent academic topper, Nana pursued both his Bachelor's and Master's degrees in Pharmacy from the same institution, affiliated with Pune University. His academic journey is a testament to his unshakable devotion and sincerity—values that continue to define his professional and Rotary journey.

Nana began his career with Glenmark Pharmaceuticals in Nashik, working in the Research and Development department. His expertise in formulation science and innovation made him a valuable contributor. However, he soon chose to return to his roots and join the family-run Samarth Juice Centre, founded by his father in the early 1970s.

Bringing scientific precision to the juice business, Nana introduced automation and developed standard operating procedures that ensured consistent taste and quality—most notably, the iconic Pineapple Juice that has become a timeless favourite across Nashik. Under his leadership, the business grew from a modest single outlet to four thriving branches in the city.

What truly sets Nana apart is his friendly, down-to-earth personality. Despite his achievements, he remains deeply grounded and leads by example—working closely with team members at every level, encouraging them, inspiring them, and helping them turn shared goals into collective success.

Nana's Rotary journey began in the Centennial Year of 2004. Within just a few years, he earned multiple recognitions at the club level. In 2010, he played a pivotal role in chartering Rotary Club of Nashik North and served as its Charter Secretary. This was no ordinary club—under his vision, it maintained a youthful average age of just 36 years and introduced dynamic, impactful projects such as:

A motorbike rally from Nashik to Nagpur for Polio Eradication Awareness

ZEP – a unique event dedicated to children with special needs

Artificial Limbs Distribution Camps

Water trolley distribution in tribal regions during peak summer months

Following his presidency, Nana continued his Rotary leadership journey, serving as Assistant Governor, District Secretary, and various key roles. In 2023-24, he was elected District Governor Nominee Designate and is now set to lead Rotary District 3030 in the Rotary year 2025–26.

On the personal front, Nana is happily married to Anupama, the love of his life. They are blessed with two children Neha, an IT engineer based in the United States, and Akash, who is proudly carrying forward the family's legacy through the Samarth Juice business.

Friends, I am delighted to present a Criss Cross puzzle again. Our Rotary District 3030 was carved out in the Rotary Year 1990-91. Before that, our then-existing clubs were part of Districts 314 and 315.

In the Crossword above, search for the Surname, or first name of the members of 3030's College of Governors since its inception (PDGs, DGE, DGN) who feature in our 'Dnyanstrot' District Directory. You will find them in a straight line in any possible direction. Simple, isn't it? After spotting such 24 surnames/names, add letters D, N, Y, and unscramble the remaining 15 letters to get the first name and surname of our DG Rotary Year 25-26.

Solve the Crossword, take a clear picture in daylight, and send me on WhatsApp before 5th August 2025. The lucky winner, decided through a draw of lots, will fetch a handsome prize of INR 2,500/-. This sum will be credited to the winner's TRF account. The names of the lucky winner and all correct entries will be flashed in the next GML. Do share the quiz with your spouse and members of your club.

Come on...Enjoy the Crossword and stay connected.

Good luck!
